Rotary, Omerga
Dist. Osmanabad

Dear Rotarian,

Rotary Omerga is a growing organization and works for human development, promotion for betterment of human life, enhancement of living standard and provides various types of assistances to social sector for the appropriate implementation of any project/work. National Service Scheme run by Shrikrishna College, Gunjoti also works to uplift students and society with the motto "*Not Me But You*" which is in tune with the college motto "*Education for deprived*". In past two meetings with rotary members and working together with the rotary organization for previous activities, we realized the need of collaborative approach. If we go hand in hand with rotary organization and work collaboratively, for various social aspects then we can do far better than individual. We with the young manpower as NSS volunteers having team work will result in significant quality of social work, increasing social attachment among students to build national character commitment to society. Therefore in the meeting, we agreed upon the purpose of collaboration with the following objectives

"Betterment Human life and care for environment"

Our Common Goals and Objectives were identified as:

Goals:

1. Work for united, strong and self-reliant Nation
2. To Promote Peace and national character
3. Dedicate to Save Girl Child and promote women education
4. Irradiation of diseases and ill full activities
5. To undertake activities for clean Environment and improve green belt

Objectives:

1. To realize the community feelings through outreach programme.
2. To popularize the importance of blood and conduct the Blood Donation Camps
3. To organize awareness rallies, workshops and campaigns
4. To organize Health check up camps
5. To organize special camps time to time
6. To arrange special counseling lectures for students and society
