

Best Practise-I

Women Empowerment

Objectives : To create enriched, empowered girl students in all respect of academic and non academic objects.

To create awareness about women's right, equality for womens.

To increase competency, entrepreneurial attitude amongst girl student.

To create awareness about opportunities, Government policies for betterment of women, through seminars and workshops.

Context : Motto of the institute is 'Education for deprived'. In response to said agenda different committees are working since. The number of girl students is more than 50 Percent every year. The place of women in Indian society, particularly in rural region is inferior and to overcome women centric challenges "Women Development and Complaint Redressal Committee, and "Vishakha Committee" of the shrikrishna Mahavidyalaya are working. The committee empowering the girl students to face challenging issues such as educational, economical and social issues. And committee also works to create better society with distinctive identity of girls.

The Practice : Women Development and Complaint Redressal Committee, and Vishakha Committee of the Shrikrishna Mahavidyalaya are formed at the beginning of academic year. The two female faculty of the college chaired the committee. The principal and senior faculty assist the activities of the committee. College has organized and conducted various program throughout the year. Seminar was organized by college in collaboration with 'Maharashtra State Commission For Women' that includes lectures by eminent speakers on Woman Entrepreneurship, Maharashtra Government Schemes for women Empowerment and Role of women in Society. the details of program are listed below Nation-wide competition for college/ University students on Laws related to women by National Women Commission was also conducted The international women's day was celebrated and efficient women from different fields was felicitated by the college.

Evidence of Success : Committee has maintained the photos and media evidences. Many positive behavioral changes in girl students was observed. Dr Manjusha Molwane, Member Secretary, Maharashtra State Commission For Women

has noted problems of girls and women of the area. The number of women took part in Self help group and saving group.

Problems encountered and resources required: The committee faced problem regarding finance to organize more programs.

Best Practice-II

Voluntary Blood Donation Campaign

Goal: To create voluntary Blood Donors group of students, staff and villagers and awareness of Blood donation.

The Context: The location of college, the modern medical scenario and scarcity of blood in the domain enforced us to create blood donor's groups. Many peoples from this region are not aware even of their own blood group and have misconceptions about blood donation. Blood donation camps were organized in collaboration with Asmita Vishwastha Mandal.

The Practice: College made publicity in collaboration with NSS unit and Shrikrishna Blood Bank, Omega. Students, Staff, ex-students respond to the Blood donation Camps. NSS Unit of College made MOU with Shrikrishna Blood Bank, Omega, Rotary Club Omega and make availability of Blood to the needy people. It has been usual practice of college to conduct Blood donation Camps. College organizes rally's, Awareness camps, blood donation camps in the region and also in adopted village in collaboration with Rotary Club Omega.

Evidence of Success: NSS unit of college organised awareness camps regularly, provide facilities to test blood groups. Total of 236 units of blood were collected from 4 camps.

Problems encountered and resources required: No problems experienced by the college while organizing Blood donation Camps. Funds required for miscellaneous requirements like healthy snacks, fruits for donors are managed by college.
