

Shrikrishna Education Society's
Shrikrishna Mahavidyalaya, Gunjoti
Tq. Omerga Dist. Osmanabad (M.S.) India - 413606

DEPARTMENT OF PHYSICS

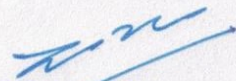

Name of Guide: Dr. S. S. More

Designation: Professor

Name of College: Yashwantrao Chavan College, Tuljapur, Dist. Osmanabad

Sr. No.	Name of Research Student	Gender	Category	Full time/ Part Time	Year of Registration	Topic of Research	Remark(s)
01	Munnoli Chandrashekhar	Male	OBC	Full Time	2018	Magnetoelectric effect in Ferrite-Ferroelectric composites and the study of structural, electrical and magnetic properties.	In progress
02	Kammar Sharanbassappa	Male	Open	Part Time	2018	Study of some oxide-based perovskite structural material for the photo-catalytic activity.	In progress
03	Shitre Kalyan Vishwasrao	Male	Open	Full Time	2021	Magnetic Iron Oxide Nanoparticles: Design, Characterization And Applications	In progress
04	Kathe Vaishali Uday	Female	OBC	Full Time	2021	Synthesis and Characterization of transition metal doped diluted magnetic semiconductors for antibacterial activity.	In Progress
05	Ingale Priti Ashokrao	Female	Open	Full Time	2021	Effect of rare earth ion substitution on the properties of Cobalt-Zinc ferrite nanoparticles.	In Progress
