Tour Report

As part of the curriculum, the Department of Botany, Shrikrishna Mahavidyalaya, Gunjoti organizes educational tours every year. The practical course of Botany subject, includes visiting local flora and studying the flora there. The teachers give information about the plants in the college campus from time to time in order to know about the various plants in the area in regular practical. Along with this, visiting to biodiversity rich areas and studying the biodiversity and flora is also a part of the curriculum.

In the academic year 2019-2020, an educational trip was organized on 21 December to 27 December, by the Department of Botany of the college to visit biodiversity rich parts of the Western Ghats like Lonavla, Mahabaleshwar, Pachgani, Shrivardan, Harihareshwar, Murud Janjira beach area was included in this tour intentionally to observe beach vegetation, wetland vegetation, and algae. B. Sc. Botany students participated in this four-day trip to study the flora.

Students were accompanied with Botany faculty members. From this visit students were made to know about many morphological characters of plants like shapes of leaf, fruit, pollination methods and habitat of different plants. Students were also introduced to various medicinal plants, and parts of plants which are medicinally important. During the visit, students were taken to different ecological habitats, where they saw interactions between plants and environment. Accompanying faculty members explained in detail about ecological aspects. From this visit students also gained knowledge about the wetland flora and algal flora of that area.

On the last day of the trip, the students visited IT Company Tech Mahindra, Pune, students with Computer as a major subject benefited from this visit and got direction for further education.
